

GLOBAL APPALACHIA

ANT 536

Spring 2020

Wed. 2-4:30PM

243 White Hall CB

No prerequisites.

Undergraduates and graduate students from all colleges and majors are welcome.

Instructor:

Professor Ann Kingsolver
ann.kingsolver@uky.edu

This course explores shared histories of environmental, economic, and social injustice across global mountain regions and active transnational strategies for social and environmental well-being. There will be opportunities for direct collaboration with students in other countries.
